Josh Deraitus, a friend and 11 year employee at King County Water District #90, was shot and injured in a horrible road rage incident on Jan. 2nd. He has lost his left eye. The bones in his nose and cheek were shattered. It will be a long recovery for Josh, with many operations to help repair the damage that was caused. Josh is a devoted, single father to his 4 year old son, Drew, a tremendous worker and caring friend. We want to show him what a great community that we live and work in by hosting this benefit dinner and raising money to help Josh and his family.

We are looking for local businesses who would be willing to donate items to raffle or monetary gifts. We will be recognizing all businesses that are able to donate for this wonderful cause.

Thank you in advance for your willingness to help.
